The Funeral Train.

TRIDENT, N. J., April 24.—The funeral train reached here at 5:30 o'clock this morning. Governor Parker and staff, of New Jersey, were taken on board at the dividing line.

NEW BRUNSWICK, N. J., April 24.—The funeral train arrived here on time. An immense crowd was at the depot. Minutes were spent while it was here and it left at 7:50 A. M.

The funeral car last night was additionally decorated, heavy silver fringes being placed at the end of the black coverings of the several panels, and the festoon being fastened with stars and tassels of similar material. The materials were contributed by citizens of Philadelphia.

Governor Parker came on board at Morrisville, with Adjutant General Stockton, Quartermaster General Perrine, and others of his staff. They were accompanied by United States Senator J. P. Stockton, and were received by Governor Curtin, of Pa., who had joined the funeral party at Harrisburg.

PHILADELPHIA, April 24.—The body of President Lincoln remained in state till 10 o'clock this morning. At three o'clock the line of march was taken. The funeral train consisted of nine elegant cars, provided by the Camden and Amboy railroad, all tastefully draped.

The Seward Reported Better.

SUMNER GENERAL'S OFFICE, WASHINGTON, April 24.—Hon. Wm. Seward, Secretary of War, Sir: I have the honor to report that the Secretary of State is free from pain and stronger this morning. Mr. Fred Seward passed away at 10 o'clock.

Very respectfully,
Your obedient servant,
J. K. BARNES, Surg. Gen.

Mosby's Surrender.

NEW YORK, April 24.—The Times' Washington special says: Mosby secured a basis of agreement similar to that obtained by Johnston. A person who was present at the consultation, informs the correspondent that the memorandum, on basis of agreement, was drawn up by General Chapman in the presence of twenty Federal and twenty Confederate officers, and provided that Gen. Mosby should surrender upon the same terms as Johnston. If the latter should surrender, that two-thirds of his army should be allowed to submit the agreement to Gen. Hancock to be approved; then ten days to be allowed to get a reply from Johnston; and in the mean time the remaining one-third of the army should be allowed to take place in Fauquier and Loudoun counties; and if Johnston failed to surrender or got whipped, Mosby would surrender on the terms upon which Lee surrendered.

From Savannah.

NEW YORK, April 24.—The steamer Brigsford, from Hilton Head the 29th brings Savannah papers of the 19th. The Savannah Herald of the 15th says intelligence was received from the 15th confirming the capture of Montgomery.

The place was evacuated by the rebels and occupied by the Federal troops on the 11th. The rebels retired to the direction of Columbus. The Government stores were being buried from Columbus, the fall of which place was expected by the next news from Augusta or Savannah.

A letter of the 10th says: The receipt of the intelligence of the sad calamity that has befallen the city, flags are suspended at half-mast, and the emblems of mourning are seen everywhere.

A meeting was held at the Hilton Head, at which resolutions condoling with the nation and family of the deceased, and calling for a more vigorous prosecution of the war, were adopted.

On the 20th seven arrests were made at Hilton Head. On the receipt of the intelligence in Savannah, Gen. Grover requested the papers to withhold it until the next morning, and doubled the guards throughout the city.

The steamer Blackstone passed the Admiral Dupont, laden with troops, on the afternoon of the 19th at Tybee Bar.

Trophies.

KNOXVILLE, April 23.—Amongst the trophies of Stoneman's expedition are twelve battle flags and banners—one an old United States flag found in a house of a loyal citizen at Salisbury; the famous pen where many unfortunate Union prisoners pined their lives away, was burned to the ground. A few United States prisoners were found—skeletons of their former selves. Almost all of them died on their way to Knoxville. They preferred to die under the shade of the stars and stripes, being left in the loathsome hospitals of Salisbury.

Lee's Army.

NEW YORK, April 24.—The Tribune's Washington special says: A letter from Burkeville, Virginia, states that some of the paroled men from Lee's army have been detected in tearing up the railroad between that place and Richmond. The parties were not caught, but it is said that they are liable to be tried and immediately shot for a violation of their parole.

The same letter also states that the last remnant of Lee's army, composed of some dozen regiments and one old ambulance, had the day before taken their melancholy departure for home.

A good many of Lee's old officers have declared that they can never live in the South nor the North, and that they shall either go to Europe or Mexico, or that they prefer to join the North and enforce the Monroe doctrine in the latter.

Washington Matters.

NEW YORK, April 24.—The Tribune's Washington special says that so many paroled rebel prisoners have arrived there, their former place of residence—that the Government will have to take some action to rid the city of their presence.

It has been decided as proper to place a guard around the residence of Chief Justice Chase.

About 12 per cent. of the clerks in the Bureau of Despatches have been dismissed as unnecessary.

The name of the dismissed hospital steward, who committed suicide, and who was suspected of complicity in the assassination, is Geo. B. Love.

Fire in Dayton.

DAYTON, Ohio, April 24.—Huston Hall, in this city, was totally destroyed by fire this morning. Loss estimated at \$25,000—insured for \$25,000, principally in Dayton companies.

CINCINNATI, April 24.—The river has fallen five feet eight inches since Saturday. Weather clear. Thermometer 62.
